Job Details

Company name: Flying Elephant Digital
Job type: Full-time
Work mode: Remote
Salary: ?16,000 to ?22,000 per month

This work needs strong writing skills. You should know SEO basics. You should also understand how content and search intent work together. Experience in SaaS SEO will help.

Work Responsibilities

- Do keyword research and competitor analysis
- Create SEO content plans
- Write blogs, landing pages, and service pages
- Publish and manage content in WordPress or CMS

- Do internal linking and on-page SEO
- Refresh old content and improve it
- Write meta titles and meta descriptions
- Share SEO suggestions for pages

You will also work with tools like SEMrush, Google Search Console, and Google Analytics. You should be able to work alone and take ownership of tasks.

Requirements

- 1 to 2 years of SEO content writing experience
- Strong English writing skills
- Good keyword research knowledge
- Basic understanding of SaaS SEO
- WordPress knowledge
- SEO tools familiarity
- Ability to work independently

Why Join

- Growth-focused SaaS SEO agency
- Remote work flexibility
- Good learning environment
- Chance to work on international SEO projects

How To Apply

Interested candidates can send their resume by email. Please also share your salary expectations, notice period, and sample work if available.
