Company: SatishCo Agriculture & Renewable Energy Pvt. Ltd.

Work Mode: Remote

Salary: ?15,000 – ?20,000 per month

Contact Numbers: +91 8167037190, +91 6291402962

SatishCo Agriculture & Renewable Energy Pvt. Ltd. is hiring for the role of Block Manager. This is a remote job opportunity. The role is linked to solar energy and agriculture schemes issued by the Central Government.

The main work is to connect with customers and support them in understanding and implementing government schemes. This role may suit candidates who are comfortable speaking with people and handling field or outreach-based responsibilities.

Key Responsibility

- Connect with customers regarding solar energy and agriculture schemes
- Explain government schemes to eligible people
- Support implementation and follow-up of the schemes
- Assist in customer coordination and communication

The company has highlighted sales and business development related qualifications. Candidates with experience in field sales, B2B sales, or customer outreach may find this role suitable.
