This is a remote sales position for the Petrosoft Product Application. The work is end to end. You will find leads, speak with clients, give product demos, and help close deals. You will also keep sales reports and follow up with leads.

The company wants someone with good communication and sales skills. Software or app sales experience is preferred. A laptop and stable internet connection are needed. Flexible work hours are part of this opportunity.

Main Work

- Generate and qualify sales leads
- Conduct online product demos
- Close deals and reach revenue goals
- Maintain sales reports
- Follow up with interested clients

Requirements

- Good communication skills
- Strong sales ability
- Laptop with reliable internet
- Experience in software or app sales is a plus
- English speaking skills are preferred

Compensation

The pay is performance based. There is also a 10% commission on achieved revenue targets. This makes the earning potential higher for strong performers.

Benefits

- Cell phone reimbursement
- Paid time off
- Provident Fund
- Flexible work hours
