YOUTH LEARNING GUIDE DIGITAL SKILLS SUPPORT

BASE SALARY

INR 25000 - INR 30000

DESCRIPTION

Youth Mentor Opportunity – Digital Learning Guide (Remote)

Gram Shiksha Digital, an initiative of Rigveda India Skill Research Foundation, is working in the field of skill-based education across rural and semi-urban India. The focus is on short-term digital learning programs. The aim is to support students and youth with practical career skills.

This is a flexible remote opportunity. The role is performance-based with earning linked to engagement and admissions. Mentors will help build awareness and guide learners toward digital education programs.

The work involves connecting with students and communities. You will promote digital learning programs and help learners understand career opportunities. You will also support them in joining relevant courses.

Key Responsibilities

- Visit or connect with students, schools, and local communities
- Conduct awareness sessions about digital skills and career programs
- Create and manage WhatsApp groups for learners
- Guide students in selecting suitable learning programs
- Support registrations and follow-ups
- Promote short skill-based workshops like AI, Digital Marketing, English, Finance

The role requires basic communication skills. You should be comfortable using WhatsApp and social media. A smartphone with internet is required. Students, teachers, graduates, and freelancers can apply.

This is a part-time and flexible opportunity. Earnings depend on performance, student engagement, and admissions. Potential earnings can go up to ₹25,000 per month or more.
