This is a **freelance digital work** where you can work from home and learn new things. If you are a student or just starting, this can be a simple way to begin. Work is not complicated, but you need to be **regular and serious**.

Role Overview

In this work, you will handle **basic social media and online tasks**. You will use simple tools and follow instructions.

- Work on **Facebook and Instagram**
- Use basic **online platforms**
- Do simple daily tasks
- Learn while working

Who Can Apply

- **Students and freshers**
- Working people who want **extra income**
- Freelancers who want to **learn new skills**

- Anyone interested in **digital work**

Important Points

This opportunity is shared as **genuine and structured**.

- No **consultancy fees**
- No **MLM or chain system**
- Not a **data entry job**
- Simple learning based work

Why You Can Try

If you want to learn digital work and earn, this can help.

- Flexible timing
- Work from home
- Beginner friendly
- Skill improvement with work

How To Apply

You can apply easily by sending message.

- Type **“INTERESTED”**
- Or directly message on WhatsApp

Apply on WhatsApp: 6289102660

Limited seats are there, so early apply is better.
