Employment Type: Part Time, Freelance, Home Based

Salary: ?1.75L-?2.5L Salary

Email: dheekshitha.xms@gmail.com

Total Openings:

- 100 vacancies available

Work Overview:

- Record first-person (egocentric) videos while performing daily household tasks
- Upload videos through a stable internet connection
- Follow the provided sample videos and task instructions carefully
- Complete required tasks within the given timeline

Video Recording Rules:

- Videos must be recorded indoors or on the building terrace

- Maintain consistent lighting throughout the recording
- Avoid heavy shadows on hands or objects
- Reflections from mirrors, glass surfaces, or reflective items are not allowed

Task Duration Details:

- Each video clip should be at least 6–7 minutes long
- Ideal video task duration is between 20–35 minutes
- Short or incomplete recordings may be rejected during quality check

Hand Visibility Rules:

- Hands should remain visible during most of the recording
- Small instances of hands going out of frame for 1–2 seconds are acceptable
- Long absence of hands without task reason may lead to rejection

Privacy & Identity Rules:

- Face should not appear in the video at any time
- Do not display personal information such as addresses or phone numbers
- No voice narration or personal information should be captured

Video Acceptance Process:

- All submitted videos will go through a quality check review
- Videos may be rejected if identity is revealed or lighting is poor
- Videos with reflections or excessive shadows may not be accepted

Eligibility Criteria:

- Freshers can apply
- Graduation not required
- Basic smartphone handling and ability to follow instructions required
- Good attention to detail and time management skills preferred
